Please fill out the attached and return to help us better plan for your team.

Last year we had some teams under estimate their team's ability, consequently some of you may have felt you were put in the wrong division.

If you feel this describes your team please let us know. We try our best to make all divisions equally competitive, so we rely on an honor system from all participants. When assessing your teams ability please is as honest as possible. Remember it's all about having a good time; and getting beat up every game isn't anyone's idea of having fun. Lopsided games usually result in teams taking liberties with one another and we certainly don't want to encourage this type of play.

- 1. Do you feel you were in the right division? Yes No**
- 2. We feel we should be in the _____ division.**
- 3. The earliest we can play Friday Night is _____.**
- 4. We will be accompanied by _____ spouses.**
- 5. Other comments on how we can add to the enjoyment of your weekend.**
